AMENDMENT REQUESTING ENTRY OF SEQUENCE LISTING

In response to the Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office dated April 17, 2008, Applicant hereby submits this Amendment requesting entry of the Sequence Listing into the application. Submitted herewith is a .txt file of the Sequence Listing, which Applicant believes satisfies the requirements of both the computer readable form (CRF) and paper copy as required under 37 C.F.R. 1.821(e). As Applicant is submitting only one .txt file, it is believed that no statement as to sequence listing identity is required.

The Sequence Listing includes no new matter, in accordance with 37 C.F.R. 1.821(e), (f) or (g), or 1.825(b) or (d). Hence, Applicant respectfully requests entry of the Sequence Listing into the present application.

Respectfully submitted,
